**Press Release**

The company PAPAPANAGIOTOU SA – DROMEAS announces:

By decision of the German Public Procurement Chamber the tender 1/DLII5/HV302 on 07/09/2017, regarding the supply of 40.000 electrically adjustable desks, which our company has won, was canceled. This decision was taken after a series of appeals from our German competitors and our company. The reasons for canceling the tender are basically formal irregularities of the process. We think that the re-announcement of the tender will come soon.

The Board of Directors
