Press Release

Following an international tender and the relevant evaluation, the European Commission (EC) assigns DROMEAS for the exclusive supply of office furniture to all of its bureaus and agencies for the next 2+1+1+1 years; a project of 30 millions €.

The official letter announcing the decision of the responsible committee was received by DROMEAS today 29/07/2015 and the assigning contract will be signed after 10 day, a necessary period for any potential objections to be submitted.

The world's top companies in office furniture manufacturing participated in this international tender.

Moreover, the fact that this is the second consecutive assignment from the European Commission to DROMEAS - our company - was already the exclusive supplier of the EC from 2009 for 2+1+1 years - certifies the technological superiority of DROMEAS on an international level with respect to the production of quality furniture according to the international standards.

The Management and the employees of DROMEAS are proud for contributing to the national prestige and the economy of the country.
